

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, January 26, 1965

The regular meeting of the Air Pollution Board was held on Tuesday evening, January 26, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Crist, Dodson, Lee and Tableman—6.

Absent: Board Members Ray and Oeming 2.

Guests: Mr. Swift; Mr. and Mrs. Alfred French, Elgin Clark, Grand Valley Chapter, Professional Engineers' Society; Bruce Partwick, Architect; Ford Ceasar, High Street School; Jim Finucan, Executive Assistant to the Mayor; Irving Davis, Michigan Dept. of Health; J. W. Ground III and Jack Born representing Davison Chemical Co.; Ed Martin and Ed Ellsworth, Motor Wheel Corp.; W. P. Collier, Bill Atkinson, James Hackney and Richard Lee, Centrifugal Fusing; Nicholas Limber, Capital Laundry.

The Secretary read the Roll Call and announced that a quorum was present. Minutes of the December meeting were approved as printed.

Copies of the area surveys concerning Davison Chemical Co., Centrifugal Fusing and Capital Laundry were received and placed on file. Mr. Davis briefly discussed the findings and recommendations covering the Davison Chemical survey. Mr. Ground, in replying for the company, noted that they have made some changes and done a good deal of building maintenance. They have some new equipment on order and are willing to work with the Board to bring the company into compliance. It was moved by Mr. Ansley, seconded by Mr. Lee, that we continue to hold the present citation in abeyance until the next meeting or until the stack sampling study is received from the Michigan Department of Health.

Motion carried.

Mr. Davis then discussed the findings and recommendations contained in the Centri-

fugal Fusing area survey. Mr. Ellsworth replied for the company. They are in the process of adding some equipment to the cones. Mr. Davis noted for the record that Mr. Collier had been notified that the survey was being conducted. A general discussion followed. A decision by the Board on this matter will be reached at a later date.

It was moved by Mr. Bintz, seconded by Mr. Lee, that the Board send its thanks to Mayor Bowerman for the Certificates presented by Mr. Finucan.

Motion carried.

It was moved by Mr. Ansley, seconded by Mr. Dodson, that the Board commend Mr. Davis and the staff of the Occupational Health Division, for the fine work done on the area surveys.

Motion carried.

The next meeting will be held February 23, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Ansley, seconded by Mr. Bintz, that we adjourn.

Motion carried.

The meeting was adjourned at 9:43 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

Mr. Pesterfield discussed the Capital Laundry area survey finding and recommendations and Mr. Limber replied for the company. A decision in this matter will be made at a later date.

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, February 23, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, February 23, 1965, at 7:30 p.m. in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Dodson, Lee, Oeming, Ray and Tableman—7.

Absent: Board Member Crist—1.

Guest: Irving Davis, Michigan Department of Health.

The secretary announced that a quorum was present. It was moved by Mr. Ansley, seconded by Mr. Dodson, that the minutes of the January meeting be accepted as printed.

Motion carried.

The report on Standard Block and Supply was deferred pending consultation with the complainant by Chairman Tableman and Mr. Ansley.

The Board of Water and Light is still in the process of gathering quantitative samples. No report as yet. The Board instructed the Engineer to request a progress report for our next meeting.

Mr. Pesterfield reported informal discussion with representatives of Davison Chemical. The company anticipates making substantial changes in their dust collection equipment. He suggested that the Board review plans when they are ready. To be continued.

The Fisher Body survey report has not been released by the Michigan Department of Health. Mr. Davis indicated that it would be available for the March meeting. A brief discussion of the problem followed.

There was a discussion of the problem concerning Centrifugal Fusing. It was

moved by Mr. Bintz, seconded by Mr. Lee, that the Board contact Goodyear Tire, owner of the property, to discuss the air pollution problem with a view toward finding a solution.

Motion carried.

It was moved by Mr. Ansley, seconded by Mr. Bintz, that Mr. Tableman contact the City Attorney for advice as to how to proceed to secure abatement of the air pollution problem concerning Centrifugal Fusing.

Motion carried.

Mr. Pesterfield reported that the owner of Capital Laundry died recently. He recommends that the firm be given ninety days to show progress on solution of its problem. It was moved by Mr. Bintz, seconded by Mr. Lee, that the Board request a report on progress towards solution of the problem by our May meeting.

Motion carried.

The next meeting will be held on Tuesday evening, March 30, 1965, in Room 136, City Hall, at 7:30 p.m.

It was moved by Mr. Bintz, seconded by Mr. Dodson, that we adjourn.

Motion carried.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, March 30, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, March 30, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Bintz, Crist, Dodson, Lee and Tableman—5.

Absent: Board Members Ansley, Oeming and Ray—3.

Guests: Mr. Ray Cross, State Journal; I. H. Davis, Michigan Dept. of Health; Mr. and Mrs. Lee Rawson, Mr. and Mrs. Gerald Graves, W. C. Steele, Wm. Gebhard, Mrs. Kivela, Dorothy Harrod, Wm. T. McCallum, Mr. and Mrs. John Stabler, Mrs. George Thomas, J. W. McManus, Mr. and Mrs. Dewey Iacovoni and Mrs. Dale Hitchcock.

The meeting was called to order by Chairman Tableman. The secretary announced that a quorum was present. It was moved by Mr. Bintz, seconded by Mr. Lee, that the minutes of the February meeting be approved as printed.

Motion carried.

Mr. Pesterfield presented a report from the Board of Water and Light regarding the qualitative survey conducted recently. The report indicates that air pollution in the area affected is no higher than the average for the downtown area. The engineer recommends that the complaint be closed for lack of evidence. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the Board accept the recommendations of the engineer and the complaint be closed.

Motion carried.

Mr. Tableman distributed copies of and summarized the Michigan Department of Health report covering the Fisher Body area survey. Mr. Davis commented on the report. Mr. Tableman invited questions from the floor. A general discussion followed. It was moved by Mr. Bintz, seconded by Mr. Lee, that the Board invite

Fisher Body representatives to appear at our next meeting to discuss the report.

Motion carried.

Mr. Pesterfield presented a bill for dues for the Air Pollution Control Assn. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the Board approve payment of the bill.

Motion carried.

Mr. Pesterfield presented a petition, referred to the Board by the City Council, requesting a "law that no diesel vehicles be allowed on city streets . . . without their exhaust pipe out of the top of the vehicle, to prevent air pollution." After some discussion, it was moved by Mr. Crist, seconded by Mr. Bintz, that the Board instruct the engineer to investigate the problem as it applies to city buses.

Motion carried.

The Board felt that a law such as that requested would, of necessity, have to originate with the legislature.

The next meeting will be held Tuesday evening, April 27, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Crist, seconded by Mr. Dodson, that we adjourn.

Motion carried.

The meeting was adjourned at 9:10 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

B

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, April 27, 1965

The regular meeting of the Air Pollution Board was held April 27, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Crist and Tableman—4.

Absent: Board Members Dodson, Lee, Oeming and Ray—4.

Guests: K. E. Robinson, CMC; T. D. Welch, A. M. McCurdy and Norman May, Fisher Body, Detroit; Harry Emerson, R. McKinstry and I. Hinchey, Fisher Body, Lansing; Ray Freeman, State Journal; Dale Hitchcock and Gerald Graves.

The Secretary announced that we did not have a quorum. The Chairman called the meeting to order and announced that minutes have been circulated and will be on file for the next meeting.

Mr. Tableman read a communication he had received from Goodyear regarding Centrifugal Fusing. The communication suggested a meeting with Mr. Gerstenmaier, President of Motor Wheel Corp. Mr. Tableman will arrange for such a meeting.

Mr. Pesterfield is attending an air pollution conference in Chicago. He reports further complaints regarding Capital Laundry. A letter to the Michigan Dept. of Health from Mrs. Elsener has been referred to us regarding the same company. The Board directed that a letter be sent to Mrs. Elsener explaining that we had given Capital Laundry ninety days to comply and at the end of that period (our next meeting) we will proceed further if they have not complied.

Mr. Pesterfield reports further complaints regarding Davison Chemical which he was unable to verify.

Our engineer contacted Lansing Suburban Lines and found that City buses are indeed diesels. A condensation problem connected with the stop and go travel of buses makes raising the exhaust pipes impractical. Mr. Pesterfield suggests that the Chairman contact Mr. Buchanan, bus line manager, regarding schedule changes which would eliminate long periods of standing and idling. He will try to obtain more information on this problem while in Chicago.

Mr. Emerson summarized the problem at Fisher Body with the aid of slides. Although they are working on the problem, no one has a solution as yet. They will continue to seek a solution. There was a general discussion of the problem.

The Board discussed the Air Pollution bills pending in the legislature. The Board felt that we should indicate our support of enabling legislation.

The next meeting will be held May 25, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Ansley, seconded by Mr. Bintz, that the meeting be adjourned.

Motion carried.

The meeting was adjourned at 8:50 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman

NORMA DONOVAN,  
Secretary.

C

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, May 25, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, May 25, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Dodson, Oeming and Tableman.

Absent: Board Members Crist, Lee and Ray.

Guests: Robert Lamond, Mrs. John Bachelder, Mrs. McDosh, Mr. and Mrs. M. E. Snider, Irene Gorsline, Mrs. Tebo, Elma Bissel, Mrs. Clarence Hauser, Mr. and Mrs. Neil Roberts, Mrs. Paul Elsener and Mrs. John Arney.

The meeting was called to order by Mr. Tableman. After roll call, the secretary announced that a quorum was present. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the actions taken at and the minutes of the April meeting be approved.

Motion carried.

Mr. Pesterfield reported another complaint regarding Board of Water and Light. It was in the nature of a request for information regarding sampling results. Both Mr. Pesterfield and a Board of Water and Light Representative contacted the complainant.

Closed.

A complaint has been received regarding Everett Elementary school. Investigation indicated the playground as the cause. Mr. Pesterfield recommends that we contact the Superintendent of Schools to inform him that a regular treatment program be instituted to eliminate the problem. It was moved by Mr. Bintz, seconded by Mr. Oeming, that the Board concur with the recommendations of the engineer.

Motion carried.

It was moved that Centrifugal Fusing has been purchased by Motor Wheel. Mr. Tableman will contact Mr. Gerstenmaier to set up a meeting regarding the air pollution problem at the plant.

Mr. Pesterfield reported additional complaints regarding Davison Chemical and

requests that the Chairman contact the Michigan Department of Health to determine when the plant study will be completed. To be held in abeyance until our July meeting.

Additional complaints have been received regarding Fisher Body. Mr. Tableman reviewed the Fisher presentation for those absent last month. The Board recommends periodic review of this problem until such time as a solution is found.

The engineer reported additional complaints against Capital Laundry. One of the guests presented pictures he had taken showing the conditions. Mr. Pesterfield reported little or no progress towards solution of the problem. A general discussion followed. It was moved by Mr. Oeming, seconded by Mr. Bintz, that the Board cite Capital Laundry as being in violation of Section 21-18, Article 2, Chapter 21, of the Code of the City of Lansing and refer the matter to the City Attorney for appropriate action.

Motion carried.

It was moved by Mr. Ansley, seconded by Mr. Oeming, that Standard Block and Supply be closed.

Motion carried.

Mr. Tableman has contacted the Manager of Lansing Suburban Lines and recommends that the complaint be closed. It was moved by Mr. Ansley, seconded by Mr. Bintz, that the Board concur with the recommendations of the Chairman.

Motion carried.

The next meeting will be held June 29, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Oeming, seconded by Mr. Dodson, that the meeting be adjourned. Motion carried.

The meeting was adjourned at 8:35 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

C

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, June 29, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, June 29, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Lee, Oeming, Ray and Tableman—6.

Absent: Board Members Crist and Dodson—2.

Guests: Mr. Paul S. Ruth, Mr. Hilary Kloeckner, Mr. Swift, Mr. Davis and Mr. Nicholas Limber (late).

The meeting was called to order by Chairman Tableman. The secretary announced the presence of a quorum. It was moved by Mr. Ansley, seconded by Mr. Bintz, that the minutes of the May meeting be accepted as printed.

Motion carried.

The first pending complaint was Davison Chemical. Mr. Pesterfield asked Mr. Davis when the Health Department study would be completed. Mr. Davis reported that the study would be done on completion of collection equipment installation. Plans for this equipment have been delayed and it now appears that they will be ready for the study in late fall. Some further modifications have been made. It was moved by Mr. Bintz, seconded by Mr. Ansley, that we accept the report of the engineer and continue surveillance until installation is completed.

Motion carried.

Mr. Tableman reported that the Board has an appointment with Mr. Gerstenmaier concerning Centrifugal Fusing at 10 a.m., July 2, 1965.

Mr. Limber of Capital Laundry has been notified that he is in violation. Since we have received no further communication, it was moved by Mr. Ansley, seconded by Mr. Oeming, that we refer the matter to the City Attorney for appropriate action.

Motion carried.

Further complaints have been received regarding Everett Elementary School. Since we have had no reply to our letter to Dr. Manning, Mr. Tableman will make further inquiries.

Mr. Tableman requested information on the status of the Fisher Body problem. Mr. Davis indicated that both the Health Department and General Motors are attempting to devise sampling techniques which will pinpoint the prime source of the problem.

There was some discussion of the Air Pollution Act recently passed by the Legislature.

Mr. Limber, of Capital Laundry, appeared to request a hearing before the Appeals Board. It was moved by Mr. Ansley, seconded by Mr. Ray, that the Board rescind the action taken earlier this evening regarding Capital Laundry. Motion carried. After some discussion, the Board set our next regular meeting as the time for the Appeals Board hearing.

The next item on the agenda was Election of Officers. It was moved by Mr. Ansley, seconded by Mr. Oeming, that the Board continue present officers and staff for the coming year.

Motion carried.

Mr. Ray asked that his apologies for a poor attendance record be entered. He has been taking classes at Wayne State University.

The next regular meeting will be held Wednesday evening, July 28, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Ansley, seconded by Mr. Lee, that the meeting be adjourned.

Motion carried.

The meeting adjourned at 8:40 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, July 28, 1965

The regular meeting of the Air Pollution Board was held on Wednesday evening, July 28, 1965, at 8:45 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Dodson, Kloeckner, Oeming, Ruth and Tableman—7.

Absent: Board Member Ray—1.

Also Present: Ray Freeman, State Journal, and interested citizens.

Mr. Tableman called the meeting to order. The secretary announced that a quorum was present. It was moved by Mr. Dodson, seconded by Mr. Bintz, that minutes of the June meeting be approved as printed.

Mr. Tableman reported on the Mayor's meeting regarding Davison Chemical and Centrifuse, Inc., held July 22. Mr. Pesterfield reported two additional complaints concerning Centrifuse. He investigated and spoke with Mrs. Ziegler and her neighbor. A petition has been submitted to the Council against this firm. Mr. Pesterfield collected a bucket of accumulated fallout. A magnet indicated Centrifuse as the source. Mr. Ceaser, High Street School, and Mr. K. K. Knapp have also filed complaints. The problem is still prevalent. Mr. Pesterfield does not believe the effluent will cause paint peeling on a house but it will cause discoloration. He also saw damaged paint on some cars. Mr. Tableman read a communication from Mr. Gerstenmaier indicating the firm plans to increase water wash in the stacks and a processing change which they believe will eliminate the problem. Mr. Pesterfield does not believe the water wash will eliminate the problem. It was moved by Mr. Dodson, seconded by Mr. Bintz, that the engineer be directed to contact the Works Manager to make certain that the company is fully aware of the problem so they can take this into consideration when making decisions concerning solution of this problem.

Motion carried.

A letter from Mr. Ground, Davison Chem-

ical, indicated that preliminary plans have been submitted to the Michigan Department of Health, and that they plan a meeting with the Board and Mr. Pesterfield to go over the plans for their suggestions and approval.

It was moved by Mr. Ansley, seconded by Mr. Kloeckner, that we officially acknowledge receipt of the letters from Centrifuse, Inc., and Davison Chemical regarding their plans.

Motion carried.

Mr. Tableman has been unable to contact anyone regarding Everett Elementary School. Complaint continued.

A number of complaints have been received concerning Fisher Body. Mr. Tableman read from a letter by Mr. Davis, Michigan Department of Health, indicating they plan to proceed with plans to make a study when they can obtain the necessary equipment. Complaint continued.

Mr. Pesterfield has received a complaint regarding Atlas Drop Forge. After some difficulty he contacted one of the complainants and informed her that the Atlas stack has been torn down and could not be a source of pollution. He investigated the possibility that the heat treat units were at fault but they require a controlled atmosphere and could not be the source. The engineer recommends that the complaint be closed. It was moved by Mr. Ansley, seconded by Mr. Dodson, that the Board concur with the recommendation of the engineer.

Motion carried.

Mr. Pesterfield reported receipt of a complaint regarding a large city project involving earth moving, etc. Mr. Pesterfield referred the problem to the City Council.

The next meeting will be held Tuesday evening, September 28, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Ansley, seconded by Mr. Kloeckner, that the meeting be adjourned.

Motion carried.

The meeting was adjourned at 9:15 p.m.

N/M

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, September 28, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, September 28, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Dodson, Kloeckner, Ruth and Tableman—6.

Absent: Board Members Oeming and Ray—2.

The meeting was called to order by Chairman Tableman. It was moved by Mr. Ansley, seconded by Mr. Ruth, that the minutes of the July meeting be approved as printed.

Motion carried.

Mr. Tableman reported on the meeting with the City Attorney concerning Capital Laundry. A general discussion followed. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the Board accept the recommendation of the Appeals Board to uphold the citation finding Capital Laundry to be in violation of Section 21.18, Article 2, Chapter 21, of the Code of the City of Lansing. Motion carried. It was moved by Mr. Bintz, seconded by Mr. Dodson, that the Board refer the matter of Capital Laundry to the City Attorney for appropriate action to abate the nuisance.

Motion carried.

Mr. Pesterfield reported that additional complaints had been received concerning Centrifuse. The new manager has asked for time to acquaint himself with the situation. It was moved by Mr. Ansley, seconded by Mr. Kloeckner, that the Engineer be directed to meet with Centrifuse management to obtain a progress report for the next meeting.

Motion carried.

The situation at Everett Elementary has been temporarily improved by rains but the basic problem remains.

Mr. Tableman will follow up on our letter.

The usual complaints have been received concerning Fisher Body. Mr. Pesterfield has received no further word concerning the sampling study proposed by the Michigan Department of Health but will check for progress and report at the next meeting.

Mr. Pesterfield has received complaints regarding burning at Simon Iron and Steel and 1400 N. Larch Street. He is presently working with the Fire Marshall on these problems. It was moved by Mr. Ansley, seconded by Mr. Bintz, that we withhold action on the Simon Iron and Steel and 1400 N. Larch Street complaints until we receive a recommendation from the engineer at the next meeting.

Motion carried.

There has been no word from the Michigan Department of Health on Plans for a detailed study at Davidson Chemical. Mr. Pesterfield will obtain a progress report for the next meeting.

The next meeting will be held Tuesday evening, October 26, 1965, at 7:30 p.m., Room 136, City Hall.

It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that the meeting be adjourned.

Motion carried.

The meeting was ajourned at 8:05 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman,

NORMA DONOVAN,  
Secretary.

# OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

## Proceedings, October 26, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, October 26, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Kloeckner, Ruth and Tableman—5.

Absent: Board Members Dodson, Oeming and Ray—3.

Guest: Mr. Swift.

The meeting was called to order by Chairman Tableman. Minutes of the September meeting were approved as printed.

Mr. Pesterfield reported that he had contacted the new manager of Centrifuse and discussed some of the problems involving the plant. He pointed out that we were still receiving complaints. There has been no progress toward solution. After some discussion, the Board agreed to invite Centrifuse and Motor Wheel management to the November meeting.

There has been no progress regarding Everett Elementary School.

The Engineer reported that the Michigan Department of Health and the GM Industrial Hygiene section have been experimenting in an attempt to find a procedure which will pinpoint the source and quantity of contaminant at Fisher Body.

Davison Chemical has communicated with American Air Filter Company who have suggested equipment which our Engineer and the Michigan Department of Health disapprove. The company will seek another solution.

The complaint regarding Simon Iron and Steel was referred to the Fire Marshal. Case closed.

The problem of burning at 1400 N. Larch was investigated. Their burning is in accordance with Fire Marshal regulations. No cause for complaint. Case closed.

Mr. Pesterfield reported receipt of a complaint regarding Walter French Junior High School. Mr. Pesterfield and Mr. Ansley will investigate and report at the next meeting.

The next meeting will be held Tuesday evening, November 30, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Ansley, seconded by Mr. Ruth, that the meeting be adjourned. Motion carried. The meeting was adjourned at 8:00 p.m.

Respectfully submitted,

MARVIN TABLEMAN,  
Chairman.

NORMA DONOVAN,  
Secretary.

That the attached claims be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant, in the amount of \$286,780.06.

Adopted by the following vote:

Unanimously.

Council adjourned at 9:40 P.M.

THEO FULTON,  
City Clerk.

## OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

### Proceedings, November 30, 1965

The regular meeting of the Air Pollution Board was held Tuesday evening, November 30, 1965, at 7:30 p.m., in Room 136, City Hall.

Present: Board Members Ansley, Bintz, Dodson, Kloeckner and Tableman—5.

Absent: Board Members Oeming, Ray and Ruth—3.

Guests: Messrs. Ellsworth, Martin and Engle representing Centrifuse, Inc., and Mr. Ford Ceasar representing Ingham County TB and Respiratory Association.

The meeting was called to order by Mr. Tableman. The secretary announced that a quorum was present. It was moved by Mr. Kloeckner, seconded by Mr. Bintz, that the minutes of the October meeting be approved as printed.

Motion carried.

Mr. Pesterfield reported that Davison Chemical is in the process of looking for a new answer to its problem after proposed equipment was deemed inadequate by the engineer and Michigan Dept. of Health.

Continue to next month.

General Motors and Michigan Department of Health engineers are still looking for a method of evaluating samples at Fisher Body. They have made no progress to date. Mr. Pesterfield will check again next month.

Mr. Pesterfield reported no progress on the Everett Elementary problem. Mr. Tableman will check into this.

Mr. Tableman has received no word on progress with the Capital Laundry problem. He will check with the City Attorney and report at the next meeting.

Mr. Engle, Centrifuse, Inc., reported on moves he has instituted to bring the company equipment into repair and constant use. Water supply to the cones has been increased and they are buying better quality scrap. They feel the situation is some better but admit that it is still present. Mr. Pesterfield feels that by the next meeting he may have some indication what the state agency will do in this field.

Hold for action at the next meeting.

Mr. Ansley and Mr. Pesterfield investigated the complaint regarding burning at Walter French and could find no basis for the complaint. Mr. Tableman will notify the complainant.

Case closed.

Mr. Pesterfield reported a complaint had been received regarding odor at a Speaker-Hines plant. Since the complaint was received, the company has raised the stack ten feet. Mr. Pesterfield recommends that we hold this in abeyance pending receipt of further complaints. It was moved by Mr. Kloeckner, seconded by Mr. Bintz, that the Board concurs with the recommendation of the engineer.

Motion carried.

The next meeting will be held December 28, 1965, at 7:30 p.m., in Room 136, City Hall.

It was moved by Mr. Bintz, seconded by Mr. Ansley, that the meeting be adjourned.

Motion carried.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,  
MARVIN TABLEMAN,  
Chairman,  
NORMA DONOVAN,  
Secretary.
